

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Arthur Lamar Rodgers**

Docket No. **277412**

L.C. No. **05-026362-FH**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The delayed application for leave to appeal filed April 16, 2007, is DISMISSED for lack of jurisdiction because the application was not filed within 12 months of the March 30, 2006 judgment of sentence as required by MCR 7.205(F)(3) and neither exception found in MCR 7.205(F)(4) applies. In particular, the first exception does not apply because the motion to credit was not filed within 6 months of the judgment of sentence as required by MCR 7.205(F)(4).
